

### #3 "Help Me Deal"

**Cyrus:**

Deal you foolish head inside, make this task appeal.  
Find me another way to play this brand new game.  
And I can't take it any more, help me find my way.  
Father if you're listening Help Me Deal  
Life is a funny thing people learn to play,  
but confusion runs this mixed up world,  
and I'm searchin' for a brand new day.

I need to know where he's gone to and where he's been  
and if he's been living in eternal sin.

Help me oh God, hear me crying.

Help him learn

Don't leave him now,  
don't leave him dying!

Cyrus:

People running here and there, trying to make a living.  
But, nobody knows where they're going they're existing anywhere.  
Life is a funny thing people learn to play -  
But confusion runs this mixed up world,  
and we're searchin' for a brand new day!  
I need to know where you've gone to and where you've been,  
and why did you leave me in the fix I'm in?!
