Hello my friend, how've you been?  
Guess its been a while, since I've seen your smile, but,  
You'll live a million years in my soul.  
Hey, don't you know, that I love you so?  
Where have you been my friend,  
does it look close to the end?  
And how will it occur? I don't mean to bother you sir, but,
